Please fill out form completely to avoid delays in processing balance transfer. Please attach payment stubs for Card Payments.**

Please follow these guidelines to insure your transfers are handled effectively: 1. List most important transfers first. 2. To verify your available current balance, consult your most recent statement, log into online banking or call card services at 800-449-7301. You may not transfer more than your current available credit limit. Please provide SIUCU Credit Union with a copy of your most recent statement from your creditor. 3. For credit cards, please list financial institution(s) the card(s) are issued through and not the type of card (MasterCard, Visa®). 4. SIUCU Cardholders may not be delinquent on ANY SIUCU Credit Union loan. Transfer request must be received 30 business days prior to payment due date. A minimum payment needs to be made to creditor to avoid penalties. Transfers to SIUCU Credit Union are treated as cash advances and will begin to accrue interest immediately. Transfers may take up to 30 days. Federally insured by NCUA. SIUCU Credit Union is not responsible for fees and/or finance charges incurred by you prior to your balance being transferred to SIUCU, or for any finance or other charges you incur while the transfer is being processed. SIUCU is not responsible for any remaining balance or additional charges in the event the payment you authorize does not satisfy an outstanding balance or the creditor account information provided to SIUCU is not accurate. Payment of the amount(s) authorized by you may or may not satisfy any outstanding balance(s) on the designated account(s). You will continue to be responsible for any balances on the account. Your balance transfer request may not be used to make payments toward amounts owed to SIUCU. Transfer requests to cash or to yourself cannot be processed.
